

NURSING PRACTICE (DNP)

Doctor of Nursing Practice

Unit: School of Nursing (<https://louisville.edu/nursing/>) (GN)
 Program Website (<https://louisville.edu/nursing/academics/dnp/>)
 Academic Plan Code(s): See Degree Requirements tab.

Program Information

The Doctor of Nursing Practice is designed to prepare nurses to demonstrate excellence and leadership as a nurse practitioner in a variety of settings for the diagnosis and management across the lifespan and to meet the evolving health needs of the community.

The DNP focuses on developing advanced practice clinical knowledge and leadership skills to improve health outcomes of individuals and populations through direct patient care, quality care initiatives, administration of organizations, and/or implementation of health policy.

The University of Louisville offers both the BSN-DNP and the MSN-DNP options. The BSN-DNP requires a minimum of three years of full-time study. The last two years of the program include a minimum 1,000 clinical, professional, and project hours. The MSN-DNP is designed for advanced practice nurses and focuses on leadership in population health. A minimum of two years of part-time study is required. Clinical hours vary depending on previous master's preparation. Students must provide documentation of previous clinical hours and complete a minimum of 330 project or professional hours, for a total of 1,000 post-baccalaureate hours. (Students with less than 670 documented clinical hours in their MSN degree will need to enroll in a clinical completion course to formally complete additional clinical hours).

Specialties Available

Admissions Criteria

For the Nurse Anesthesia (NA) program admission requirements, please see the programs catalog page.

A holistic review process is used when considering applications for admission to the DNP program. The holistic review considers multiple criteria for admission, including the applicant's professional career goals, academic capabilities, GPA, work experience, leadership, as well as institution and community engagement.

The University of Louisville School of Nursing participates in Nursing's Centralized Application Service (<https://nursingcas.org/>) (NursingCAS), which provides you with an online application. NursingCAS collects and processes your application documents and verifies your transcripts.

The School of Nursing will receive your application information from NursingCAS and use it to make admission decisions. In addition to the Nursing CAS Application students will need to pay a supplemental application fee of \$40 to graduate admissions.

To be considered for admission to the Doctor of Nursing Practice program, the following items must be submitted:

To NursingCAS

1. Transcripts

- **BSN -DNP applicant:** Official transcripts representing all college coursework with a recommended undergraduate cumulative grade point average of at least a 3.0 on a 4.0 scale. BSN degree must be from a regionally accredited institution and a CCNE-, ACEN-, or NLN-accredited nursing program.
- **MSN-DNP applicant:** Official transcripts representing all college coursework with a recommended graduate cumulative grade point average of at least a 3.0 on a 4.0 scale. BSN and MSN degrees must be from CCNE-, ACEN-, or NLN-accredited nursing programs.

2. Applicants who have attended a college or university outside the United States are also required to submit a course by course evaluation of their transcript through World Education Services (WES) (<http://wes.org/>) or Educational Credential Evaluators (ECE) (<http://ece.org/>). Please note that transcript evaluations can sometimes take several weeks.
3. **Two letters of recommendation** from individuals who can speak of academic and/or professional capabilities and potential for a scholarly career. Recommendation should be requested from former faculty, current or immediate past employers, or other nursing/health professionals. Recommendations must be completed within the last year.
4. **Current resume or curriculum vitae (CV)**
5. **Verification of an unencumbered RN license** from a US state board of nursing. (Prior to starting clinicals students must have a RN license in the state of Kentucky or in a compact state).
6. **Responses to all questions** asked on the NursingCAS application.
7. Students for whom English is not their primary language must show **English Proficiency** (<https://louisville.edu/graduate/futurestudents/application-directions/>).
8. Students offered admission will need to submit a Criminal Background check through the third-party vendor (Castlebranch) which will need to be approved prior to enrollment.
