Program Information

This program can be completed 100% online (<https://louisville.edu/online/programs/masters/master-of-arts-in-teaching-in-special-education/>).

This program leads to Kentucky certification for Moderate and Severe Disabilities, grades P-12. Applicants to the program should have excellent academic credentials as well as successful experience working with children and/or adults with Moderate and Severe Disabilities. Completion of this degree/licensure program will lead to certification as an MSD teacher only (not an Elementary, Middle or Secondary content area teacher).

Students must complete weekly field hours in school or community placements that serve individuals with moderate and severe disabilities. Prior to the end of the program a 12-week student teaching placement must be successfully completed.

Although this program has determined that it meets educational requirements for licensure in other US states and jurisdictions, this program is designed specifically to align with Kentucky certification requirements for the supervised student teaching or culminating clinical experience. **Therefore, students in this program are required to complete their student teaching or clinical experience at an approved placement location in the state of Kentucky.** Please contact the program director to discuss possible arrangements to complete culminating experiences in Southern Indiana before enrolling in the program.

The Master of Arts in Teaching in Special Education program with a concentration in Moderate/Severe Disabilities P-12 prepares students to meet the requirements for certification and/or licensure. If you plan to pursue professional licensure or certification you should first determine your state's criteria for examination and licensure to see how/if our program meets those requirements prior to enrollment. We recommend that you also contact your state's licensing board directly to verify that the requirements have not changed recently and to answer any questions especially those regarding additional requirements beyond the degree.

Although this program has determined that it meets educational requirements for licensure in other US states and jurisdictions, this program is designed specifically to align with Kentucky certification requirements for the supervised student teaching or culminating clinical experience. Therefore, students in this program are required to complete their student teaching or clinical experience at an approved placement location in the state of Kentucky. Please contact the program director to discuss possible arrangements to complete culminating experiences in Southern Indiana before enrolling in the program.
