

COURSES A-Z

The course indexes list courses currently active at the University of Louisville. Not all courses are offered in any given academic term. For class offerings for a specific term, refer to the Schedule of Classes (<http://htmlaccess.louisville.edu/classSchedule/setupSearchClassSchedule.cfm>).

- **Undergraduate Course Index** (p.)
- **Graduate Course Index** (p.)

500-level courses often are listed for both graduate and undergraduate students, but offerings may vary by semester and students are responsible for ensuring that they enroll in a course that is applicable to a particular academic program.

Some courses may carry fees beyond the standard tuition costs to cover additional support or materials. Specific information can be found on the Office of the Bursar website (<http://louisville.edu/bursar/tuitionfee>).
