Program Website (https://louisville.edu/education/degrees/mat-ac/)
Academic Plan Code(s): By subject area, see below.

Program Information
The Alternative Certification program is designed to assist the local school districts in meeting the demand for qualified teachers in high need content areas. The program provides candidates with an opportunity to pursue initial teacher certification while working as a full-time teacher on a temporary provisional certificate.

Employment is not required for initial acceptance to this program. However, candidates must be employed in a Kentucky- accredited school by the start of the school year in order to continue in the program. This program is a two-year, 30 credit hour program resulting in initial teacher certification and a Master of Arts in Teaching degree.

The Master of Arts in Alternative Route to 8-12 Certification in Secondary Education program and all related content areas prepares students to meet the requirements for certification and/or licensure. If you plan to pursue professional licensure or certification you should first determine your state’s criteria for examination and licensure to see how/if our program meets those requirements prior to enrollment. We recommend that you also contact your state’s licensing board directly to verify that the requirements have not changed recently and to answer any questions especially those regarding additional requirements beyond the degree.

More information about certification or licensure is available at the following website: https://louisville.edu/oapa/licensure-information (https://louisville.edu/oapa/licensure-information/) (you may search by school or by the name of the program then click on ‘View Details’ to display the information).

For programs with an online option, more information about certification or licensure is available here: http://louisville.edu/online/About-Us (http://louisville.edu/online/About-Us/) (please scroll down near the bottom of the page and click on the licensing disclosures tab).
