**Accelerated BA/MA in Art History**
Art History majors who are considering pursuing a master’s degree (MA) in Art History can speed up the process by applying some of their undergraduate credit hours toward a master’s degree. Students accepted into the Accelerated BA/MA program take three 500-level courses (nine (9) credit hours) as an undergraduate that apply toward both the bachelor’s degree and the eventual master’s degree.

Interested students should apply to the program during Junior year (i.e., when they have accumulated 60-90 credit hours). Students must have at least a 3.0 university grade point average when they apply and must maintain a 3.0 once accepted. Once admitted to the accelerated BA/MA program, students are expected to maintain a full graduate load of nine (9) credit hours.

Once accepted into the program, students complete nine (9) credit hours of 500-level coursework during their final year of undergraduate studies. They then graduate with a bachelor’s degree and move straight into the University of Louisville MA program. Students in the accelerated program must meet all of the requirements for the MA, including completing at least 12 credit hours of their 31 credit hour program in 600-level courses.

**Admission Requirements**
To be considered for admission to the MA program, students must submit the following credentials to the Graduate School: (http://louisville.edu/graduate/apply)
- Transcripts of all colleges attended (undergraduate or graduate)
- Two letters of recommendation specific to the program
- Graduate Record Examination (GRE) scores
