SPECIAL EDUCATION, NON-TEACHING (MED)

Master of Education in Special Education
Unit: College of Education and Human Development (http://louisville.edu/education/) (GE)
Department: Special Education, Early Childhood, and Prevention Science (https://louisville.edu/education/departments/sped/)
Program Website (http://louisville.edu/education/degrees/med-se/)
Academic Plan Code(s): SPE_MED

Program Information
This program can be completed in a traditional classroom format or entirely online (http://louisville.edu/online/programs/masters/master-of-education-in-special-education/).

This program is not designed to lead to teacher certification.

The non-teaching master's degree in Special Education is designed to advance the knowledge and expertise of professionals who are delivering services for children and adolescents with disabilities through comprehensive-care centers, institutions, hospitals, clinics, day care centers, preschools, and community programs.

Admission Requirements
Admission requirements for this program include the following:

- Admission to the College of Education and Human Development
- Baccalaureate degree in special education, psychology, speech language pathology, occupational therapy or social work from an accredited institution
- Professional certification/license/experience in a field related to autism/intellectual disability
- Statement of professional goals
- Two letters of recommendation
- Test of English as a Foreign Language required of all international students from countries in which English is not the native language; and 2.75 cumulative grade point average. (GRE – Not Required)
