Program Information

The Master of Arts in Health and Physical Education degree provides Kentucky certification in grades P-12.

The Departments of Teaching and Learning and Health and Sport Sciences are committed to the highest standards of professional preparation. Our programs have sought and received national accreditation from the Council for the Accreditation of Educator Preparation. Graduates of initial teacher certification programs at the University of Louisville begin their teaching careers secure in the knowledge that they have been prepared for the real world of classrooms through a rigorous teacher preparation program.

The degree offers school-based methods in the fall semester (August-December) in health and physical education for grades P-12. During the spring semester candidates complete 15 weeks of student teaching at both the elementary and secondary levels, a weekly seminar class and a reading and writing across the curriculum course. The program's schedule coincides with that of the public schools. Candidates progress through the program in a cohort group. The program is full-time and classes are offered only during the day.

Admission Requirements

Candidates who meet the following criteria may be eligible to apply to the Master of Arts in Teaching program. Candidates considering application to the MAT program should contact the MAT admissions counselor (teacher@louisville.edu (<http://louisville.edu/cgi-bin/uofl.mail?teacher>)) prior to applying for admission. UofL undergraduate students, with a major in Health and Human Performance - Physical Education Teacher Preparation, should direct questions to Dr. Carla Vidoni at carla.vidoni@louisville.edu (<http://louisville.edu/cgi-bin/uofl.mail?carla.vidoni>).

Admission is competitive. Candidates who meet minimum academic requirements are not guaranteed admission to the program.

The Master of Arts in Teaching Health and Physical Education (HPEDMAT) program prepares students to meet the requirements for certification and/or licensure. If you plan to pursue professional licensure or certification you should first determine your state's criteria for examination and licensure to see how/if our program meets those requirements prior to enrollment. We recommend that you also contact your state's licensing board directly to verify that the requirements have not changed recently and to answer any questions especially those regarding additional requirements beyond the degree.

More information about certification or licensure is available at the following website: <https://louisville.edu/oapa/licensure-information> (<https://louisville.edu/oapa/licensure-information/>) (you may search by school or by the name of the program then click on 'View Details' to display the information).

For programs with an online option, more information about certification or licensure is available here: <http://louisville.edu/online/About-Us> (<http://louisville.edu/online/About-Us/>) (please scroll down near the bottom of the page and click on the licensing disclosures tab).
