Academic Plan Code(s): See Degree Requirements, with Concentrations tab.

Program Description
This program can be completed in a traditional classroom format or entirely online (http://louisville.edu/online/programs/masters/master-of-science-in-human-resources-and-organization-development/).

This program educates professionals who lead workplace performance, development, and learning through discovery and critical inquiry. Students and graduates work in corporations, government agencies, health-care organizations, the military, non-profit organizations, education institutions, and community-based groups.

The program has one degree option:

- Master of Science in Human Resources and Organizational Development (MS HROD)*, which can be completed in a traditional format or entirely online.

*Two previously offered concentrations in Workplace Learning and Performance (WLP) and Human Resource Leadership (HRL) were combined into the standard (no concentration) degree program, effective spring 2019. No new applications will be accepted for those concentrations.

Admission Requirements
The HROD Admissions Committee requires the following materials to make a decision about admission:

- **Graduate School Application:** Complete the online application to the Graduate School (http://graduate.louisville.edu/apply/).
- **Official transcripts of all undergraduate and graduate work.** Unconditional admission requires a minimum cumulative grade point average (GPA) of 2.5 for all coursework taken. Applicants who have attended a college or university outside of the United States are also required to submit an evaluation of their transcript through either WES (World Education Services) (http://wes.org/) or ECE (Educational Credential Evaluators) (http://ece.org/). Please note that transcript evaluations can sometimes take several weeks.

**Please have transcripts sent to:**
Graduate School
University of Louisville
Louisville, KY 40292

If transcripts are sent electronically,
please have them sent to the following e-mail: gradadm@louisville.edu

- All applicants for whom English is a second language must also submit official TOEFL scores of 79 or higher on the internet-based test, 213 or higher on the computer-based test. English proficiency can also be met by submitting official IELTS scores of at least 6.5 overall band score from the academic module exam or official Duolingo overall score of 105. Students holding a bachelor’s or advanced degree from an accredited institution in the United States may be exempt from this requirement.
- **Two letters of recommendation.** If you have studied at a college or university in the last five years, the admissions committee prefers to see at least one letter from a faculty member. Other references can include work supervisors. Personal references (e.g. family, friends) are not accepted.
- **Goal Statement Sheet [PDF].** The Admissions Committee evaluates applications based on how an applicant’s goals, professional experiences, and commitment to education are an appropriate fit with this program.
- **Current Resume**

Admission is competitive. Meeting the GPA minimum does not guarantee that prospective students will be accepted into the program.

Program Information
The program requires ten courses consisting of 30 credit hours (including concentration coursework), which can be completed in a traditional format or entirely online.

The curriculum in all four concentrations is centered around five program goals:

- **Investigate Gap**
- **Produce Interventions**
- **Implement and Lead Change**
- **Evaluate Outcomes**
- **Integrate Foundational Knowledge and Skills**

**MS in Human Resources and Organizational Development**
Academic Plan Code(s): HRODMS, HRODMS_O

**Program Purpose:** To prepare professionals who lead people, performance, development, and learning through discovery and critical inquiry.
