- b. The student has made a good faith effort to comply with applicable practice test requirements; and
- c. Reasonably unforeseeable circumstances prevented the student from complying with the applicable practice test requirements.
- d. If any student's only exam(s) in a particular semester are unscheduled, multi-day exams (i.e., those traditionally characterized as "take home" exams), that student is not required to submit an Exam4 practice test, even if those exams are administered using Exam4. However, such students are still strongly encouraged to take and submit a practice test to ensure software compatibility and functionality.
