Subject-area course lists indicate courses currently active for offering at the University of Louisville. Not all courses are scheduled in any given academic term. For class offerings in a specific semester, refer to the Schedule of Classes (http://htmlaccess.louisville.edu/classSchedule/setupSearchClassSchedule.cfm).

500-level courses generally are included in both the undergraduate- and graduate-level course listings; however, specific course/section offerings may vary between semesters. Students are responsible for ensuring that they enroll in courses that are applicable to their particular academic programs.

**Course Fees**

Some courses may carry fees beyond the standard tuition costs to cover additional support or materials. Program-, subject- and course-specific fee information can be found on the Office of the Bursar website (http://louisville.edu/bursar/tuitionfee).

---

**PHPB 300. Social and Behavioral Foundations of Public Health**  
3 Units  
Term Typically Offered: Spring Only  
Prerequisite(s): Must be a Public Health major or a Public Health minor.  
Description: The course explores how people, policy, environment, and their intersections affect public health and approaches for increasing the beneficial effects and decreasing the detrimental effects.  
For class offerings for a specific term, refer to the Schedule of Classes (http://htmlaccess.louisville.edu/classSchedule/setupSearchClassSchedule.cfm)

**PHPB 301. Health Equity - D1, SB**  
3 Units  
Term Typically Offered: Fall Only  
Description: Health equity is a goal of public health as seen in Healthy People 2020. Race or ethnicity, gender, sexual identity, age, disability, socio-economic status, and geographic location (or some combinations of these factors) contribute to an individual’s ability to achieve good health. Understanding health disparities involves a critical analysis of circumstances that produce differences in health outcomes among groups.  
For class offerings for a specific term, refer to the Schedule of Classes (http://htmlaccess.louisville.edu/classSchedule/setupSearchClassSchedule.cfm)

**PHPB 305. Public Health Education Principles and Strategies**  
3 Units  
Term Typically Offered: Fall Only  
Prerequisite(s): Must be a Public Health major.  
Description: Upon completing this course, students will have introductory knowledge and skills that characterize the work of public health educators. The course provides an overview of a wide range of practice issues encountered in the routine work of health educators.  
For class offerings for a specific term, refer to the Schedule of Classes (http://htmlaccess.louisville.edu/classSchedule/setupSearchClassSchedule.cfm)

**PHPB 501. Introduction to Public Health Behavior**  
3 Units  
Term Typically Offered: Fall Only  
Prerequisite(s): Enrollment in the School of Public Health and Information Sciences.  
Description: This course reviews theoretical constructs of the causation of health-related behavior, including preventive, early diagnosis, treatment and rehabilitative behavior.  
For class offerings for a specific term, refer to the Schedule of Classes (http://htmlaccess.louisville.edu/classSchedule/setupSearchClassSchedule.cfm)
