Specific coursework information can be found on the Degree Requirements tab.

Accelerated BA/MA in Anthropology
Undergraduate Anthropology majors who are already thinking about pursuing a master’s degree in Anthropology can speed up the process by applying some of their undergraduate credit hours toward a Master of Arts degree. Students take three graduate-level courses/nine (9) credit hours (either 500-level with the additional graduate-level assignments or 600-level) while still an undergraduate and then have those credits apply both toward the undergraduate degree and an eventual master’s degree from UofL. Students may pursue either the thesis or experiential (non-thesis) option within the MA Program.

Interested students should:
1. Have a minimum overall Anthropology GPA of 3.3 and meet all other requirements for admission to the Anthropology Master of Arts program (including at least 18 credit hours of Anthropology with at least nine (9) hours at the 300 level or higher).
2. Complete the Anthropology Department’s internal application for permission to participate in the accelerated BA/MA program and the Graduate School’s application for admission to the Master of Arts program. Students must apply by no later than the end of their junior year.

Students must retain a 3.0 GPA in Anthropology during their senior year to remain in the program.

Departmental Admission Requirements
Admission to the BA in Anthropology requires a minimum cumulative grade point average of 2.0.

The Application for Major form can be found on the Arts & Sciences Advising Center website (http://louisville.edu/artsandsciences/advising/apply).

Accelerated BA/MA in Anthropology
Students apply to the Accelerated BA/MA program toward the end of their junior year. Applicants should have completed at least 18 credit hours in Anthropology (ANTH) coursework, with at least nine (9) credit hours are the 300 level or higher. Students must have at least a 3.3 GPA in these and any other ANTH courses.

Students must first complete the internal application form requesting departmental permission to participate in the accelerated program. After obtaining the department’s approval, the student applies for admission to the Graduate School (https://louisville.edu/graduate/apply); complete applications include:
1. GRE scores
2. Names of referees
3. Unofficial transcript
4. Statement of Purpose.

Upon admission to the accelerated program, students will select courses in consultation with their advisor and the Anthropology Director of Graduate Studies (DGS).
