Departmental Admission Requirements

Primarily intended for professionally oriented art and design students, as well as those planning to pursue graduate work in the studio arts or to assume leadership positions in the fields of graphic or interior design, the BFA degree provides the opportunity for students to go into more depth in their chosen area.

Admission to the BFA program is selective, and enrollment may be limited. University of Louisville students who are approved as majors in the BA in Art, track in Studio Art may apply for the BFA upon completing the Foundations courses and the introductory course for their chosen track. Applicants must have a minimum GPA of 3.0 in department courses (studio art and art history) and a minimum cumulative GPA of 2.5. Once admitted, students must maintain an overall GPA of at least 2.5 and a GPA of 3.0 or higher in department courses to remain in the BFA program.

Students who meet the BFA admission requirements should contact the department at **hite@louisville.edu** to request an application.

Upon admission to the BFA Program, students and faculty will complete and sign a BFA Student/Mentor Contract, which outlines the expectations for progress toward degree completion. If, at any point during the student's studies, the mentor deems the student's progress or ability to meet program requirements unsatisfactory, the mentor has the right to resign from their role. In such cases, the student must either seek a new mentor or transfer back into the BA in Art, track in Studio Art. If the student requests a new mentor and no faculty member agrees to work with them, the student will be returned to the BA in Art, track in Studio Art.

Admitted BFA students who fail to meet or maintain the GPA requirements will be placed on departmental probation and given one semester to raise their GPA. If the requirements are not met within that time, students will be returned to the BA in Art, Track in Studio Art. Students may reapply to the BFA program once the GPA requirements are met

Completion of the BFA degree requires students to submit work for the department's **Learning Outcomes Assessment**. For Studio Art candidates, this includes a committee review of the student's work one semester prior to graduation, as well as participation in the BFA exhibition during the semester of graduation. For Graphic Design and Interior Design candidates, this includes participation in the professional portfolio review at the end of their professional practice course.

The Flight Plan outlined above is intended to demonstrate one possible path to completing the degree within four years. Course selection and placement within the program may vary depending on course offerings and schedule, elective preferences, and other factors (study abroad, internship availability, etc.). Please consult your advisor for additional information about building a flight plan that works for you.

Degree Audit Report

Degree Audit reports illustrate how your completed courses fulfill the requirements of your academic plan, and which requirements are still outstanding. Degree audits also take transfer credits and test credits into account. "What-if" reports allow you to compare the courses you have completed in your current academic plan to the courses required in

another academic plan. Should you have questions about either report, please consult with your academic advisor.

Flight Planner

The Flight Planner tool is available for you to create a personalized Flight Plan to graduation. Advisors have access to review your Flight Planner and can help you adjust it to ensure you remain on track to graduate in a timely manner.

To create these reports:

- 1. Log into your ULink account.
- 2. Click on the Academic Progress tile.
- 3. Select the appropriate report.
 - a. To run a Degree Audit report, click on "View my Degree Audit."
 - b. To create a What-if report, click on "What-if Advisement Report."
