## Bachelor of Arts in Communication with a 3+3 Track in Law

Unit: College of Arts and Sciences (AS) (<https://louisville.edu/artsandsciences/intro/>)

Department: Communication (<http://commcourses.com/www/>)

Academic Plan Code(s): COMMBA\_3+3

## Program Information

The College of Arts & Sciences and the Louis D. Brandeis School of Law have joined forces to create 3+3 Accelerated Law programs that allow eligible students in the College of Arts & Sciences to begin law school in their senior year of undergraduate study. Students substitute undergraduate major and elective requirements with the first 30 hours of law school, earning an undergraduate degree after their first year of law school and a Juris Doctor (JD) degree two years later. Students must have completed three years (6 semesters, fall & spring) of undergraduate course work post high school graduation, including transfer credit, prior to enrollment at Brandeis.

Completion of this degree requires work to be submitted for the department's Learning Outcomes Measurement. For details, contact the department.

- A minimum grade point average of 2.0 on courses in the major

Admission to the 3+3 track does not guarantee admission to the law school. Students seeking admission to law school must complete a law

school application and satisfy all of Brandeis' admissions requirements, including its median GPA and LSAT expectations.

The law school requires that students seeking admission through the 3+3 program have completed three years of undergraduate course work, including transfer credit and credit earned in summer. It is recommended that students planning to pursue this track have a minimum cumulative GPA of 3.5.

For more information on Brandeis and its admissions requirements, please contact the Brandeis School of Law Office of Admissions (<http://louisville.edu/law/admissions/>). The office can also arrange for you to visit the law school and to sit in on a class.
