Bachelor of Science in Communication

Unit: College of Arts and Sciences (AS) (<http://www.louisville.edu/a-s>)
Department: Communication (<http://comm.louisville.edu/department>)
Academic Plan Code(s): COMMBS

Program Information

This program can be completed in a traditional classroom format or entirely online (<http://louisville.edu/online/programs>).

The Department of Communication offers both a Bachelor of Arts and a Bachelor of Science degree in Communication.

A Bachelor of Arts degree and a Bachelor of Science degree are equally valued. Both offer the students who earn them the opportunity to continue their education at the master's degree level if they are so inclined. But, the two tracks do tend to hone different strengths. The coursework required for a Bachelor of Arts degree generally allows students to sharpen their oral and written communication skills. The demands of a Bachelor of Science degree include sharpening basic Communication skills as well as developing analytical skills relevant to Communication in a more in-depth manner.

Completion of this degree requires work to be submitted for the department's Learning Outcomes Measurement. For details, contact the department.
