Department: Economics (<https://business.louisville.edu/academics-programs/undergraduate-programs/economics/>)

Academic Plan Code(s): EC\_\_BA\_3+3

## Program Information

The College of Business and the Louis D. Brandeis School of Law have joined together to create 3+3 Accelerated Law programs that allow eligible students in the College of Business to begin law school in their senior year of undergraduate study. Students substitute undergraduate major requirements with the first 30 hours of law school, earning an undergraduate degree after their first year of law school and a Juris Doctor (JD) degree two years later. Students must have completed three years (6 semesters) of undergraduate course work, including transfer credit and credit earned in summers, prior to enrollment at Brandeis.

<sup>1</sup> To complete the degree in the **minimum number of hours** listed, some hours from the General Education Requirements must be satisfied by courses defined by the unit and/or program. Using other courses to satisfy General Education requirements will require additional hours to complete the degree requirements (or decrease the indicated electives). See the Degree Requirements tab for specific coursework.

<sup>2</sup> College/School Requirements total includes 6 hours of required courses that also satisfy General Education hours requirements.

Specific coursework information can be found on the Degree Requirements tab.

## Departmental Admission Requirements

Students must have:

1. Earned a 2.8 cumulative GPA (Students with an established UofL GPA may not include grades for coursework at another institution in consideration for admission); and
2. Completion of MATH 111 College Algebra - QR (<http://catalog.louisville.edu/undergraduate/general-education-requirements/>) (or equivalent) or completion of MATH 180 Elements of Calculus - QR (<http://catalog.louisville.edu/undergraduate/general-education-requirements/>)

A 3.5 GPA is recommended by the School of Law (see below).

## Admission to Law School

Admission to the 3+3 track does not guarantee admission to the law school. Students seeking admission to law school must complete a law school application and satisfy all of Brandeis' admissions requirements, including its median GPA and LSAT expectations.

The law school requires that students seeking admission through the 3+3 program have completed three years of undergraduate course work, including transfer credit and credit earned in summer. It is recommended that students planning to pursue this track have a minimum cumulative GPA of 3.5.

For more information on Brandeis and its admissions requirements, please contact the Brandeis School of Law Office of Admissions (<https://louisville.edu/law/>). A visit to the law school and an opportunity to observe a class can be arranged.
