This program was approved for students entering the university in the Summer 2023–Spring 2024 catalog year. For more information about catalog year, go to Catalog Year Information (http://catalog.louisville.edu/undergraduate/university-wide-unit-specific-policies/catalog-year/).

Bachelor of Arts in Economics
Unit: College of Business (BU) (http://www.louisville.edu/business/)
Department: Economics (http://business.louisville.edu/economics/)
Academic Plan Code(s): EC_ _BA

Program Information
The Department of Economics provides a thorough education in economics to UofL undergraduate students with majors and minors in the department as well as students from other academic programs. A primary departmental objective is promoting the understanding of the economy through economic analysis of industry, non-profit institutions, and government at the micro- and macroeconomic levels. Students develop comprehension, reasoning, and quantitative skills through their study of domestic and global economic issues.

1 To complete the degree in the minimum number of hours listed, some hours from the General Education Requirements must be satisfied by courses defined by the unit and/or program. Using other courses to satisfy General Education requirements will require additional hours to complete the degree requirements (or decrease the indicated electives). See the Degree Requirements tab for specific coursework.

2 College/School Requirements total includes 6 hours of required courses that also satisfy General Education hours requirements.

Specific coursework information can be found on the Degree Requirements tab.

Departmental Admission Requirements
New Students and Transfer Students
Admission to the College of Business (http://catalog.louisville.edu/undergraduate/admission/college-business/) ensures admission to the BA in Economics.

Current Students - Admission in Good Standing
Students must have both:

a. Earned a 2.8 cumulative GPA (students with an established UofL GPA may not include grades for coursework at another institution in consideration for admission); and
b. Completion of MATH 111 College Algebra (or equivalent) or completion of MATH 180 Elements of Calculus
