Soaring Scholars (Accelerated BA/MA) Program

Undergraduate History majors who are thinking about pursuing a master's degree (MA) in History can speed up the process by applying some of their undergraduate credit hours toward a master's degree.

Students accepted into the Soaring Scholars Program take three graduate-level courses (9 credit hours) in their final year of undergrad that apply toward both the bachelor's degree and the eventual master's degree.

Undergraduate students interested in participating in an accelerated dual bachelor's/master's degree offered through the university's Soaring Scholar Program must first meet with their Academic Advisor and the department's Director of Graduate Studies (DGS) and be accepted into the program. Once accepted, students will receive an official admission letter outlining program policies and details. They will then work with their Academic Advisor and the DGS to register for classes each semester, ensuring they meet the milestones and academic progress requirements of the Soaring Scholars Program. A Soaring Scholar student is considered an undergraduate student until their bachelor's degree is conferred. In their final undergraduate semester, they are expected to apply for admission to their respective master's program.

Departmental Admission Requirements

Admission to the BA in History requires a minimum cumulative grade point average of 2.0 and a minimum grade point average of 2.0 on courses in the major.

The Change Major Request form can be found under the Academic Progress tile on ULink.

Soaring Scholar (Accelerated BA/MA) Program - Admission requirements

Interested students should apply for entry into the accelerated program in Spring of their Junior year (i.e. once they have completed 60-90 hours of undergraduate coursework, including at least 18 credit hours in History). Before applying, students should meet with their Academic Advisor and the History Department's Director of Graduate Studies to ensure they meet eligibility criteria.

Applicants to the Soaring Scholars Program in History should:

1. Have accrued 60-90 undergraduate credit hours.
2. Have accrued at least 18 undergraduate credit hours in History, ideally including HIST 304 Research Methods.
3. Have at least a 3.35 grade point average (GPA), both overall and in History.
4. Submit the following application materials:
 - online application form
 - personal statement (1000 words max)
 - 1 letter of recommendation from a faculty member, plus the name of a second faculty member who is willing to serve as a reference
 - writing sample (15 pages max)

The Flight Plan outlined above is intended to demonstrate one possible path to completing the degree within four years. Course selection and placement within the program may vary depending on course offerings and schedule, elective preferences, and other factors (study abroad, internship availability, etc.). Please consult your advisor for additional information about building a flight plan that works for you.

Degree Audit Report

Degree Audit reports illustrate how your completed courses fulfill the requirements of your academic plan, and which requirements are still outstanding. Degree audits also take transfer credits and test credits into account. "What-if" reports allow you to compare the courses you have completed in your current academic plan to the courses required in another academic plan. Should you have questions about either report, please consult with your academic advisor.
