MATHEMATICS (BS)

This program was approved for students entering the university in the Summer 2023–Spring 2024 catalog year. For more information about catalog year, go to Catalog Year Information (http://catalog.louisville.edu/undergraduate/university-wide-unit-specific-policies/catalog-year/).

Bachelor of Science in Mathematics
Unit: College of Arts and Sciences (http://www.louisville.edu/a-s/) (AS)
Department: Mathematics (http://louisville.edu/math/)
Academic Plan Code(s): MATHBS, MATHBS_ACS

Completion of this degree requires work to be submitted for the department's Learning Outcomes Measurement. For details, contact the department.

1 Some courses required in this degree program satisfy multiple requirements. To complete the degree in the minimum number of hours listed some hours from the General Education Requirements must be satisfied by courses defined by the unit and/or program. Using other courses to satisfy General Education requirements will require additional hours to complete the degree requirements. See the Degree Requirements and/or Track tabs for specific coursework.

Specific coursework information can be found on the Degree Requirements tab.

Accelerated BA-BS/MA Option in Mathematics
Mathematics majors who are considering pursuing a master's degree (MA) in Mathematics can speed up the process by applying some of their undergraduate credit hours toward a master's degree. Students accepted into the Accelerated BA-BS/MA take three graduate courses (9 credit hours) as an undergraduate that apply toward both the bachelor's degree and the eventual master's degree.

Interested students must apply to the program during their Junior year (i.e., when they have accumulated 60-90 hours of credit). Applicants must have completed MATH 205, MATH 206, MATH 301, and MATH 325, or equivalent courses, prior to application. Applicants must have a minimum overall GPA of 3.5, and minimum GPA of 3.66 in mathematics courses.

Early Start Program (Jointly with the College of Education and Human Development)
The Master of Arts in Teaching program in conjunction with the undergraduate programs in Chemistry, Biology, and Mathematics offers a comprehensive and professionally-focused program leading to an additional degree of MAT Middle or Secondary Education. This early start program enables superior students to receive two degrees within five years. A total of 149-152 credits are required for the dual degrees: 122-125 credits of coursework devoted toward the baccalaureate degree and 36 credits toward the MAT, with nine hours double-counted. This program will be available for students who are entering their junior year. They may take graduate level courses in the College of Education and Human Development (CEHD) in their 4th year of study.

The current qualifications for the joint degree program have been agreed upon by discipline faculty from the Colleges of Arts and Sciences and Education and Human Development. The criteria vary by discipline. Students enrolling in the accelerated program will be non-thesis students and must adhere to all policies pertaining to Graduate Students. All interested students must submit an application to the College of Education and Human Development (CEHD) MAT program and meet the admission criteria.

Departmental Admission Requirements
Admission to the BS in Mathematics requires enrollment in a mathematics course beyond MATH 205; a minimum cumulative grade point average of 2.0; and a minimum grade point average of 2.0 on all courses in the major.

The Change Major Request form can be found under the Academic Progress tile on ULink.

Accelerated BA/BS-MA Option in Mathematics
Students must apply for admission to the program no later than the end of the junior year and must have completed
MATH 205, MATH 206, MATH 301, and MATH 325, or equivalent courses, prior to application.

Applicants must have a minimum overall GPA of 3.5, and minimum GPA of 3.66 in mathematics courses.

**General Education Requirements**

<td>General Education Requirements (<a href="http://catalog.louisville.edu/undergraduate/general-education-requirements/">http://catalog.louisville.edu/undergraduate/general-education-requirements/</a>)</td>
<td>31</td>
</tr>
</tbody>
</table>

The following courses are required by the program and satisfy the respective General Education Requirement(s):

- MATH 205 Calculus I
- PHYS 298 Introductory Mechanics, Heat and Sound or CHEM 201 General Chemistry I or BIOL 240 Unity of Life
- PHYS 295 Introductory Laboratories I or CHEM 207 Introduction to Chemical Analysis I or BIOL 241 Unity of Life Lab

All degrees require the completion of the University-wide General Education Program (link provided above). To complete the degree in the minimum number of hours listed on the Overview tab, some hours from the General Education Requirements must be satisfied by courses defined by the unit and/or program.

**Minimum Total Hours** 51

**Supporting Courses**

Select one of the following sequences: 7

**Sequence One:**

- PHYS 298 Introductory Mechanics, Heat and Sound
- PHYS 299 Introductory Electricity, Magnetism and Light
- PHYS 295 Introductory Laboratories I
- PHYS 296 Introductory Laboratories II

**Sequence Two:**

- CHEM 201 General Chemistry I
- CHEM 202 General Chemistry II
- CHEM 207 Introduction to Chemical Analysis I
- CHEM 208 Introduction to Chemical Analysis II
- CHEM 209 Introduction to Chemical Analysis III

**Sequence Three:**

- BIOL 240 Unity of Life
- BIOL 241 Unity of Life Lab
- BIOL 242 Diversity of Life
- BIOL 243 Diversity of Life Lab

Elective in second science discipline 7

**Minimum Electives** 3

**Minimum Total Hours** 24-26

At least 50 of the total minimum hours required must be at the 300 level or above.

**Program/Major requirements and Supporting Courses for Track in Actuarial Science are articulated on the Track Requirements tab.**

**Culminating Undergraduate Experience (Graduation requirement)**

Requirement fulfilled by completing:

- MATH 501 Introduction to Analysis I or MATH 521 Modern Algebra I

1 Ten (10) hours of General Education requirements (Quantitative Reasoning and Natural Sciences) are met with requirements in the major or supporting coursework.
Completion of the second semester of a single foreign language; hours will vary depending on the language taken.
In addition to courses counted toward General Education
May be incorporated into other degree requirements
Mathematics courses at the 100 level do not count toward hours in the major.
A minimum of 12 hours in courses numbered 311 or higher must be successfully completed in the Department of Mathematics at the University of Louisville.
Fulfills General Education requirement.
Or another computer related course chosen in consultation with the departmental advisor
Or a second computer related course chosen in consultation with departmental advisor
Elective hours are dependent on completion of at least 10 hours of General Education requirements through requirements in the major, track and/or supporting coursework

Minimum Total Hours: 45

Supporting Courses
Select one of the following sequences:

Sequence One:
- PHYS 298 Introductory Mechanics, Heat and Sound
- PHYS 295 Introductory Laboratories

Sequence Two:
- CHEM 201 General Chemistry I
- CHEM 207 Introduction to Chemical Analysis I

Sequence Three:
- BIOL 102 Biology: Current Issues and Applications
- BIOL 104 Laboratory for Biology: Current Issues and Applications

Elective in second science discipline
- ECON 201 Principles of Microeconomics

Minimum Electives: 2-4

Minimum Total Hours: 30-33

At least 50 of the total minimum hours required must be at the 300 level or above.

Mathematics courses at the 100 level do not count toward hours in the major.
A minimum of 12 hours in courses numbered 311 or higher must be successfully completed in the Department of Mathematics at the University of Louisville.
Fulfills General Education requirement
Students need to contact the College of Business for permission to enroll in these courses.
FIN 433 can be used as an elective in Humanities or Social Sciences at the 300+ level.

Flight Plan

Mathematics

Year 1
Fall
- GEN 100 or GEN 101 Student Success Center First Year Experience
- ENGL 101 Introduction to College Writing
- MATH 205 Calculus I
- General Education: Cardinal Core Oral Communication - OC
- General Elective

Year 2
Fall
- General Education: Cardinal Core Arts & Humanities Global Diversity - AHD2
- General Elective
- Foreign Language 2
- MATH 206 Calculus II
- MATH 311 Introduction to Higher Math

Year 3

Year 3

Fall
General Education: Cardinal Core Social & Behavioral Sciences Historical Perspective - SBH 3

MATH 562 Mathematical Statistics 3

MATH 570 Foundations of Actuarial Science 3

FIN 401 Investments 3

General Elective 3

Hours 15

Spring
General Education: Cardinal Core Arts & Humans [removed]

Chosen Natural Science Sequence (lecture & lab) 4-5

MATH 405 Differential Equations 3

FIN 433 Financial Markets and Institutions 3

Hours 13-14

Year 4

Fall
MATH 360 Statistical Data Analysis 3

MATH 501 Introduction to Analysis I 3

General Elective 3

General Elective 3

Humanities or Social Science WR Elective (300 level or above) 3

Hours 15

Spring
MATH 521 Modern Algebra I 3
or MATH 573 Actuarial Models I 3

CIS 305 Data Analysis for Decision-Making 3

FIN 403 Financial Derivatives 3

Natural Science Elective (outside of chosen Natural Science sequence) 3

Humanities or Social Science WR Elective (300 level or above) 3

Hours 15

Minimum Total Hours 121-122

Degree Audit Report
Degree Audit reports illustrate how your completed courses fulfill the requirements of your academic plan. What-if reports allow you to compare the courses you have completed in your current academic plan to the courses required in another academic plan. Should you have questions about either report, please consult with your academic advisor.

Flight Planner
The Flight Planner tool is available for you to create a personalized Flight Plan to graduation. Advisors have access to review your Flight Planner and can help you adjust it to ensure you remain on track to graduate in a timely manner.

To create these reports:
a. Log into your ULink account.
b. Click on the Academic Progress tile.
c. Select the appropriate report.
   i. To run a Degree Audit report, click on "View my Degree Audit."
   ii. To create a What-if report, click on "Create a What-if Advisement Report."
   iii. To run a Flight Planner report, click on "Use My Flight Planner."

Click here to run a Degree Audit report, create a What-if report, or run a Flight Planner report. (https://ulink.louisville.edu)
