

MUSIC, PIANO PERFORMANCE (BM)

This program was approved for students entering the university in the Summer 2019–Spring 2020 catalog year. For more information about catalog year, go to Catalog Year Information (<http://catalog.louisville.edu/undergraduate/university-wide-unit-specific-policies/catalog-year>).

Bachelor of Music with Emphasis in Piano Performance

Unit: Music (<http://www.louisville.edu/music>)

Academic Plan Code(s): MUSIBM_PNO, MUSIBM_PDG

Program Information

The Bachelor of Music in Performance degree is appropriate for students who wish to prepare for a career in music performance and related fields. Among the particular career emphases for which the BM in Performance is an appropriate preparation are professional performer, university teacher, private music studio teacher, or pre-professional preparation for music teacher certification study. Since it is unlikely that graduates of the program will have developed all the requisite skills to enter the professional ranks of performers or university teachers, most graduates will continue to develop their skills through further study.

The School of Music building contains two recital halls, a 15,000 square foot music library, forty-four teaching studios, and seventy-six practice rooms, many of them with Steinway grand pianos reserved exclusively for piano majors.
