#### **Bachelor of Arts in Pan-African Studies**

Unit: College of Arts and Sciences (http://www.louisville.edu/a-s/)
Department: Pan-African Studies (http://louisville.edu/
panafricanstudies/)

Academic Plan Code(s): PAS\_BA

Completion of this degree requires work to be submitted for the department's Learning Outcomes Measurement. For details, contact the department.

## **Program Information**

The Department of Pan-African Studies (PAS) has developed a Bachelor of Arts and a Bachelor of Science degree. This provides an opportunity for structured undergraduate study in the multi-disciplinary field of Pan-African Studies. Students also have the choice of earning a minor in Pan-African Studies as well.

PAS majors have career options quite similar to those of students with baccalaureate degrees in the humanities and social sciences and a PAS minor often enhances the employability of students who major in other fields.

Increasingly, PAS majors are also finding career opportunities specific to the discipline itself. Such opportunities are most common in social, cultural and educational agencies/organizations, and in business and international affairs initiatives that concern people of color. Other PAS graduates choose to pursue graduate degrees.

Completion of this degree requires work to be submitted for the department's Learning Outcomes Measurement. For details, contact the department.
