With a particular strength in interdisciplinary study, Philosophy at the University of Louisville is a keystone that unifies a broad undergraduate education and prepares graduates for an unpredictable world ahead. Philosophy also houses the minor in Philosophy, Politics, and Economics (PPE) and the Ethics Certificate, as well as the graduate MA in Applied Philosophy - Health Care Ethics and graduate certificates in Health Care Ethics and Diversity Literacy. The Department’s faculty has achieved exceptional research productivity and prides itself on outstandingly high student evaluations.
