**Bachelor of Arts in Political Science**

Unit: College of Arts and Sciences (AS) (http://www.louisville.edu/a-s/)
Department: Political Science (http://louisville.edu/politicalscience/)
Academic Plan Code(s): See Track Requirements tab.

**Program Information**

This program can be completed in a traditional classroom format or entirely online (https://louisville.edu/online/programs/bachelors/online-bachelor-of-arts-in-political-science/).

Bachelor of Arts in Political Science program at UofL cultivates an understanding of policy, politics and governments in the United States and around the globe. We offer a wide range of courses including campaigns and elections, the Presidency and Congress, social movements and civil rights, terrorism and war, constitutional law, environmental policy, religious politics, urban politics and poverty, and international politics. The department is a particularly inviting environment for students, with small class sizes, our own building, a computer lab, and options to specialize via several tracks in our major.

Political Science majors at the University of Louisville have been extremely successful in earning prestigious scholarships and fellowships. The roster of recent successes includes numerous Fulbright Award winners and multiple Truman Scholars. Since 2010, three of our students have won the annual Mary Churchill Humphrey scholarship, often described as UofL’s Rhodes Scholarship because it supports students who have won the annual Mary Churchill Humphrey scholarship.

Completion of this degree requires work to be submitted for the department’s Learning Outcomes Measurement. For details, contact the department.

Specific coursework information can be found on the Degree Requirements tab.

**Accelerated BA-BS/MA in Political Science**

Political Science majors who are considering pursuing a master’s degree (MA) in Political Science can speed up the process by applying some of their undergraduate credit hours toward a master’s degree. Students accepted into the Accelerated BA-BS/MA take three graduate courses (9 credit hours) as an undergraduate that apply toward both the bachelor’s degree and the eventual master’s degree.

Interested students must apply for admission to the program in the first semester of the senior year (i.e., after completing 90 hours). Applicants must meet the general requirements for admission to the Graduate School and must submit an application to the Department of Political Science. Applicants should have an undergraduate major or minor in social science or have sufficient alternative preparation in the social sciences.

**Departmental Admission Requirements**

There are no specific admission requirements for this degree plan.
