This program was approved for students entering the university in the Summer 2022–Spring 2023 catalog year. For more information about catalog year, go to Catalog Year Information (<http://catalog.louisville.edu/undergraduate/university-wide-unit-specific-policies/catalog-year/>).

## Bachelor of Arts in Sociology

Unit: College of Arts and Sciences (AS) (<https://louisville.edu/artsandsciences/>)

Department: Sociology (<http://louisville.edu/sociology/>)

Academic Plan Code(s): SOC\_BA, SOC\_BA\_O, SOC\_BA\_CUL, SOC\_BA\_DIN

## Program Information

*This program can be completed in a traditional classroom format or entirely online (<http://louisville.edu/online/program-finder/>).*

Students in the Bachelor of Arts (BA) in Sociology program learn to take an analytical, evidence-driven approach to social issues, as well as gain the interpersonal communication skills necessary to craft persuasive narratives grounded in critical thought. Sociology students focus on diversity and inequality and use their analytical insight into social structures for effective formulation and implementation of democratic social policy.

Those interested in sociology are intrigued by the challenging social issues pervading our world, how society influences and is influenced by them, and how to effectuate change. BA in Sociology students learn how to address these issues through scientific research and application, and, as our world continuously evolves, sociology students are well prepared to offer insight into these changes and how best to accommodate them.

Given the breadth, adaptability, and utility of sociology, employment opportunities are plentiful in social service agencies; federal, state, and local governments; non-profit organizations; and private enterprises

Completion of this degree requires work to be submitted for the department's Learning Outcomes Measurement. For details, contact the department.

## Accelerated BA-BS/MA in Sociology

The Department of Sociology offers an accelerated master's degree program, which is designed to allow motivated undergraduates the opportunity to earn graduate credit hours in sociology during their senior year. As undergraduates, accelerated students may earn between 6-9 credit hours (taking 2-3 graduate level courses), which are applied toward both the undergraduate degree as well as the graduate degree, allowing students to begin the graduate program in sociology with credits already applied toward their MA degree.

The graduate courses taken during the student's senior year will depend on the courses the student has remaining to complete his/her undergraduate degree in sociology. The undergraduate advisor works individually with accelerated students regarding their course schedules.

**NOTE:** Students in the accelerated program in sociology may only apply their graduate credits earned as an undergraduate toward the graduate degree in sociology at UofL.

To be admitted to the program, a student must have: an undergraduate GPA of 3.35 or better at the time of application and satisfactory GRE scores (see Admissions tab for more information).

## Departmental Admission Requirements

Admission to the BA in Sociology requires:

1. Completion of SOC 301 with a grade of C or better;
2. Minimum cumulative grade point average of 2.0; and
3. Minimum cumulative grade point average of 2.0 in Sociology, if any courses have been taken.

The Application for Major form can be found on the Arts & Sciences Advising Center website (<https://louisville.edu/artsandsciences/advising/apply/>).

## Accelerated BA-BS/MA in Sociology Application Procedure

Students must apply during the first or second semester of Junior year (i.e., when they have earned between 70-80 hours) by submitting the following to the Graduate Admissions Office:

- Graduate application (<http://louisville.edu/graduate/futurestudents/apply-materials/application/>)
