SOCIOLOGY (BS)

This program was approved for students entering the university in the Summer 2024—Spring 2025 catalog year. For more information about catalog year, go to Catalog Year Information (http://catalog.louisville.edu/undergraduate/university-wide-unit-specific-policies/catalog-year/).

Bachelor of Science in Sociology
Unit: College of Arts and Sciences (AS) (https://louisville.edu/artsandsciences/)
Department: Sociology (http://louisville.edu/sociology/)
Academic Plan Code(s): SOC_BS, SOC_BS_O, SOC_BS_HMW, SOC_BS_HMO

Program Information
This program can be completed in a traditional classroom format or entirely online (https://louisville.edu/online/programs/bachelors/bachelor-of-arts-in-sociology/).

Sociology students learn how to address these issues through scientific research and application, and, as our world continuously evolves. Sociology majors are well prepared to offer insight into these changes and how best to accommodate them. Sociology majors are offered a rich environment within which to develop skills in critical thinking, analytic problem-solving, and communication that are required by employers and/or that prepare them for a range of graduate programs.

Given the training in research methods, statistics, and topical areas, employment opportunities for sociology majors are plentiful in social service agencies; federal, state, and local governments; nonprofit organizations; and private enterprises. The emerging global economic order and the increased complexity of corporate cultures promise to open even more opportunities for our graduates. Some sociology majors help companies develop global marketing strategies, and others work to enhance the culture and organization of corporations.

Sociology students pursue careers in a variety of fields: business, child welfare, computer industry, criminal justice, education (teaching, evaluation research, consultation, research), gerontology, health care, international relations, law, law enforcement, leisure/recreation/sport, military/military intelligence, social work, and urban planning or management, and more.

Completion of this degree requires work to be submitted for the department’s Learning Outcomes Measurement. For details, contact the department.

2 Sociology offers two BS options, one track and one non-track. For both options, please refer to the Track Requirements tab.

Specific coursework information can be found on the Degree Requirements tab.

Accelerated BA-BS/MA in Sociology
The Department of Sociology offers an accelerated master’s degree program, which is designed to allow motivated undergraduates the opportunity to earn graduate credit hours in sociology during their senior year. As undergraduates, accelerated students may earn between 6-9 credit hours (taking 2-3 graduate level courses), which are applied toward both the undergraduate degree as well as the graduate degree, allowing students to begin the graduate program in sociology with credits already applied toward their MA degree.

The graduate courses taken during the student’s senior year will depend on the courses the student has remaining to complete his/her undergraduate degree in sociology. The undergraduate advisor works individually with accelerated students regarding their course schedules.

NOTE: Students in the accelerated program in sociology may only apply their graduate credits earned as an undergraduate toward the graduate degree in sociology at UofL.

To be admitted to the program, a student must have: an undergraduate GPA of 3.35 or better at the time of application (see Admissions tab for more information).

Departmental Admission Requirements
Admission to the BS in Sociology requires:
a. Completion of SOC 301 with a grade of C or better
b. Minimum cumulative grade point average of 2.0
c. Minimum cumulative grade point average of 2.0 in Sociology, if any courses have been taken.

The Change Major Request form can be found under the Academic Progress tile on ULink.

Sociology majors may take no more than six hours of “Special Topics” courses in sociology to meet degree requirements.
Sociology (BS)

Completion of the second semester of a single foreign language; hours will vary depending on the language taken.

In addition to courses counted toward General Education.

May be incorporated into other degree requirements.

SOC 350 may be used to satisfy this degree requirement depending on the appropriateness of its topic and with the department undergraduate advisor’s approval. Other sociology electives may be substituted upon approval from the department undergraduate advisor.

In addition to courses counted toward general education.

Students who satisfy General Education Requirements by courses defined by the program will require additional electives to complete the minimum hours for the degree.

Students may be allowed to substitute a statistics course for SOC 301 and/or a methods course for SOC 303 but must gain the permission from the Department of Sociology Undergraduate Advisor prior to doing so and must take a 300+ level sociology elective in lieu of the required sociology course. Students must also earn a C or better in the statistics and/or methods course from the other department for it to count it toward sociology degree requirements.

3. SOC 450 may only satisfy this requirement if the topic is related to health, medicine, and well-being. Other electives may be substituted with approval from the undergraduate advisor.

4. PHIL 323 is an example of an appropriate ethics course. Other possible courses that may be used to satisfy this requirement should be discussed with the undergraduate advisor.
The Flight Plan outlined above is intended to demonstrate one possible path to completing the degree within four years. Course selection and placement within the program may vary depending on course offerings and schedule, elective preferences, and other factors (study abroad, internship availability, etc.). Please consult your advisor for additional information about building a flight plan that works for you.

**Degree Audit Report**
Degree Audit reports illustrate how your completed courses fulfill the requirements of your academic plan, and which requirements are still outstanding. Degree audits also take transfer credits and test credits into account. "What-if" reports allow you to compare the courses you have completed in your current academic plan to the courses required in another academic plan. Should you have questions about either report, please consult with your academic advisor.

**Flight Planner**
The Flight Planner tool is available for you to create a personalized Flight Plan to graduation. Advisors have access to review your Flight Planner and can help you adjust it to ensure you remain on track to graduate in a timely manner.

**To create these reports:**

a. Log into your ULink account.
b. Click on the Academic Progress tile.
c. Select the appropriate report.
   i. To run a Degree Audit report, click on "View my Degree Audit."
   ii. To create a What-if report, click on "Create a What-if Advisement Report."
   iii. To run a Flight Planner report, click on "Use My Flight Planner."
