Academic Plan Code(s): WGSTBS

**Program Information**
Women's, Gender and Sexuality studies is an interdisciplinary major that draws its questions and approaches from the humanities, social sciences, natural sciences, and arts. It helps students to develop theoretical, empirical, and methodological perspectives for studying gender as a crucial category for understanding the world. We offer extremely flexible scheduling for our majors: we have three core courses, offered regularly; students are allowed a fair amount of control in selecting the classes that will be most helpful to them in their chosen career path to complete the remainder of their requirements. Our students are required to engage in service learning opportunities outside the university, giving them useful career experience. Students in our program also find it easy to double major, if they so desire.

Completion of this degree requires work to be submitted for the department's Student Learning Outcomes Measurement. For details, contact the department.

**Accelerated BA-BS/MA in Women's, Gender and Sexuality Studies**

Women's, Gender and Sexuality Studies majors who are already thinking about pursuing a master's degree in the field can speed up the process by applying some of their undergraduate credit hours toward a master's degree. The basic idea is to take three graduate level courses/nine hours (either 500-level with the additional graduate level assignments, or 600-level) while still an undergraduate, and then have those credits apply both toward the undergraduate degree and towards an eventual master's degree from UofL.

Students in the accelerated Master of Arts in Women's, Gender and Sexuality Studies program may take a maximum of nine hours for graduate credit, which will also apply to the requirements for the baccalaureate degree. To be considered for admission to the Accelerated Master of Arts in Women's, Gender and Sexuality Studies program, students must have a minimum overall grade point average (GPA) of 3.35; a Women's, Gender and Sexuality Studies GPA of 3.35; and meet all other requirements for admission to the Women's, Gender and Sexuality Studies Department's Master of Arts program.

Students must retain a 3.35 GPA in Women’s, Gender and Sexuality Studies during their senior year to remain in the program. Once admitted to the accelerated BS/MA program and starting the graduate work, students are expected to maintain a full graduate load of 9 credit hours.

Students in the accelerated BS/MA program must meet all of the MA requirements including receiving at least 18 of their 37-hour program in 600-level, courses.

**Departmental Admission Requirements**

Admission to the BS in Women's, Gender and Sexuality Studies requires a minimum cumulative grade point average of 2.0 and a minimum grade point average of 2.0 on courses in the major.

The Application for Major form can be found on the Arts & Sciences Advising Center website (http://louisville.edu/artsandsciences/advising/apply).

**Accelerated BA-BS/MA in Women's, Gender and Sexuality Studies**

Interested students should apply for entry into the accelerated program no later than the end of their Junior year.

To be considered for admission to the Accelerated Master of Arts in Women's, Gender and Sexuality Studies program, students must:

- Complete an application for admission to the Women's, Women's and Gender and Sexuality Studies Department's Master of Arts program (including GRE scores, transcripts, two letters of recommendation, a statement of purpose, and a writing sample) no later than the end of their junior year.
