Minor in Business Administration

Unit: College of Business (<http://business.louisville.edu/>)

Academic Plan Code(s): BA_ _MINOR

The College of Business offers a minor in business for students in other colleges and schools at the University of Louisville. Enrollment is limited in the business minor because of the large demand for courses by business majors.

To be admitted to the minor in Business Administration and be permitted to pursue the program core coursework, a student must have completed the following:

- Fifty-one (51) or more semester hours with a cumulative grade point average of 2.8 or higher;
- ECON 201 and ECON 202; and
- The business program prerequisite coursework with a GPA of 2.8.

Upon completion of the admission requirements and formal application, the student is admitted into the Business Administration minor program based on the student's academic performance and the space available. An appointment may be made during the semester that the program prerequisites are being completed to begin the application process.
