

SUSTAINABILITY (MINOR)

This program was approved for students entering the university in the Summer 2023–Spring 2024 catalog year. For more information about catalog year, go to Catalog Year Information (<http://catalog.louisville.edu/undergraduate/university-wide-unit-specific-policies/catalog-year/>).

Minor in Sustainability

Unit: College of Arts and Sciences (AS) (<https://louisville.edu/artsandsciences/intro/>)

Department: Urban and Public Affairs (<https://urbanlouisville.org/>)
Academic Plan Code(s): SUSTMINOR

The College of Arts and Sciences offers a minor in Sustainability which is open to all students at the University of Louisville.

The minor requires 18 credit hours of coursework. Fifteen credit hours will be completed in core sustainability courses, and three elective credit hours will be available across a broad number of related disciplines in Arts and Sciences and other UofL academic units.

NOTE: Six credit hours of the required courses will satisfy the SBD1 and QR General Education Requirements.
